## Studio workshops

Join me for a creative, fun day in my log cabin studio. Learn traditional methods of wire wrapping, or try some freeform wire designs. The workshop includes all **non-precious** wire, beads and the use of all tools and equipment. Don't bring anything but your creativity to take this class! However, students are welcome to bring their own treasures - stones, beads, findings etc. to incorporate into their jewellery designs. I will be happy to give you help and ideas with your personal project.

### **Weekday Workshops (One day sessions)**

Monday-Friday 10:00 a.m.- 3:00 p.m.

### **Week-end Workshops**

(Groups of **4 people** are required to run week-end classes.)

Get a group of friends together, or request the date you would prefer, and I will let you know if there are enough students enrolled to run on that particular date.

**Private**            \$ 125

\*Allergy sufferers - Please be informed that my studio is located in my home and my cat (Wally) lives here.
